**§90.15 REMOVAL OF SNOW AND ICE FROM SIDEWALKS**

The owner or occupant or any person having the care of any building or lot of land abutting on any paved sidewalk within the corporate limits of the town shall, within the first eight (8) hours of daylight following the time any snow, ice or sleet has ceased to fall, cause the same to be removed from such sidewalk; provided, that sleet or ice, when it cannot be removed without injury to the pavement of the sidewalk, shall be covered within the same period of time with sawdust, ashes or some other environmentally friendly material which will render the sidewalk safe for pedestrian travel.

If after twenty-four (24) hours from the time of notice provided in subsection (B) the conditions set forth in subsection (A) are not complied with and the owner or occupant has been charged with a violation pursuant to subsection (C) above, the town may cause the conditions to be complied with. The cost thereof shall be charged to and collected from the owner of the property affected in any container provided by law for the collection of state and local taxes. **BOYCE HISTORICAL TIDBITS**  
**Actions by the first Town Council**

- 12/4/1916      The Town Council unqualifiedly favors the improvements, by federal and state funds, the highway leading from Alexandria, VA through Boyce.
- 2/6/1917        Length of pavement (sidewalk?) was 457 feet. Keeler share \$48.22, Louder's share \$20.86, Garver's share \$49.38.
- 2/19/1917      Mr Tumblin was dissatisfied with the amount of his salary and would resign unless it was increased. Considerable discussion ensued and the Mayor was directed to write up the Rules and Regulations for the police.
- 3/6/1917        The Mayor was instructed to contract with F Tumblin Jr as Town policeman for \$25.00 and 10 days notice was needed if his intention was to discontinue said contract.
