Blandy Experimental Farm

American Kestrels

6:00 - 7:30 PM Monday, June 1st

Join us to learn about conservation efforts to provide nesting habitat for American Kestrels across the Virginia Piedmont and Shenandoah Valley. October Greenfield, Wildlife Habitat Program Manager for [The Piedmont Environmental Council](#), will present on American Kestrel ecology and conservation challenges, followed by a field walk to learn about monitoring nest boxes.

What to expect: A lecture-style talk in the library, followed by a walk to kestrel monitoring nest boxes.

Who can come: This program is designed for adults, but children accompanied by adults are welcome. Minors must be accompanied by a caregiver at all times. No pets, please!

What to bring: Please be sure to wear appropriate footwear and clothing for longer grass and uneven terrain (sunscreen and bug spray recommended).

Where to meet: The library at the Quarters building.

Register for Kestrels [here](#).

Firefly Festival

8:00 - 9:30 PM Thursday, June 18th

Explore the fascinating world of fireflies with outdoor crafts, activities, games, and a short nature talk. As dusk falls, we'll catch and release fireflies and watch them in action.

What to expect: A family-friendly program with crafts, activities, and firefly programming.

Who can come: This program is suitable for all ages. Minors must be accompanied by a caregiver at all times.

What to bring: Firefly/bug-inspired attire encouraged! Wear comfortable walking shoes and dress for the weather. Bring a flashlight if you wish. Bug spray recommended.

Where to meet: The courtyard at the Quarters building.
